**STATEMENT OF ASSIGNEE
37 CFR 3.73(b)**

I, Linda Stevenson, declare that:

Attached to the Amendment filed on Jan. 14, 1999, which is attached to the present amendment, there is documentary evidence of a chain of title from the inventors and the original owner of the application to the assignee, the Regents of the University of California. In particular a true and correct copy of an executed assignment submitted for recording from the inventors to the Regents of the University of California and from Target Therapeutics Inc. to the Regents of the University of California is provided. In addition the reel and frame number where such evidence is recorded in the Office is provided.

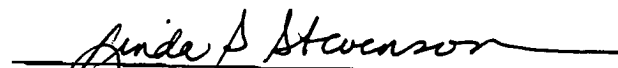

The evidentiary documents have been reviewed and that to the best of assignee's knowledge and belief, title is in the assignee, the Regents of the University of California.

I am authorized to act on behalf of the assignee, the Regents of the University of California.

All statements above are made based on my own knowledge are true and all statements made on information and belief are believed to be true.

I have been warned that willful false statements and the like are punishable by fine or imprisonment, or both (18 USC 1001) and may jeopardize the validity of the application , patent issuing or proceedings based thereon.
